

Funny Faces

Use your My First Crayola Washable Crayons to draw a face without the eyes, nose, mouth and hair. Help your toddler to create funny face details by placing Cheerios® cereal on the drawing. After a good giggle, reward yourself by eating the Cheerios and starting a new funny face!

Big Circle, Little Circle

Use your My First Crayola Washable Crayons to draw a big circle and a little circle. Place some Cheerios® cereal in the play area and ask your toddler to place them in either the big or small circle. Did you get it right? Pick up a Cheerio and gobble it down as your reward!
